

Building Ministry

The Building Ministry Team provides for the overall care and maintenance of all campus buildings.

- **Maintain regular housekeeping efforts**
- **Schedule regular workdays for intensive interior and exterior efforts**
- **Maintain signage and lighting**
- **Seek assistance from within the church for minor repairs**
- **Obtain BOD approval for all repair or replacement needs, costs, and for remodeling or improvement projects**
- **Obtain contractor bids for major repairs or BOD approved remodeling or improvement projects**
- **Complete a quarterly safety assessment to identify potentially harmful or hazardous conditions**
- **Complete an annual assessment of buildings to identify items requiring attention**
