

The Music Ministry Team seeks to provide worship experiences where people connect with God through diverse, dynamic, innovative music styles that appeal to all ages and spiritual temperaments.

- **Worship Planning—Preparation of the musical components for all worship services, special events, and other spiritual services in collaboration with the pastor or other speakers**
- **Musicians—Provide accompaniment for all musical components of the worship services, special events, and other spiritual services under the guidance of the Minister of Music**
- **Vocalists—Provide choral accompaniment for all musical components of the worship services, special events, and other spiritual services under the guidance of the Minister of Music**
